1962-63 has passed

Our golden victories

And bitter defeats

Close friendships and

Torrid affairs

Opportunities,

Taken or missed,

Are gone . . .

A few memories,

A precious few,

Are kept by the

Photograph and

The printed word.

Grand Prairie opened its 1962 season with a defensive battle with perennial toughy, Fort Worth Carter-Riverside. The Eagles found it tough to penetrate the Gopher line, headed by captains Freddy Richard and Lynn Oswalt. On the other hand, the Gopher attack never had a chance as four passes were plucked by Eagle defenders. The Gophers seemed to be on their way in the fourth quarter when junior halfback Harold Williams made a fine twenty-one yard gain, but the Gophers lost the ball the next play on a fumble. The Eagles made a final effort in the remaining seconds of the last quarter, but the drive was snuffed out when senior end Freddy Richard set the Eagles back for eight yards on a fine defensive play.

HIGHLAND PARK 6

Oh, boy! How Grand Prairie loved its first win against the Scots since joining AAAA ranks. The Gophers turned the trick with a fine junior running game and senior passing attack. Harold Williams set up the first G.P. score with a forty-five-yard punt return midway through the third period. Billy Bob Stewart capped the scoring effort with a final twelve-yard plunge, and Randall Stanford kicked the first of two successful PATS. Joel Horsley matched Williams with a forty-one-yard punt return in the final period. Stewart put the game out of reach 14-6 with a pass to Freddy Richard and then a three-yard drive to the end zone. The defensive line and line backers deserve praise for their teamwork.

Grand Prairie fumbled the opening kick-off from Garland and found themselves on the short end of two quick touchdowns. Garland recovered the kick-off on the G.P. 5 yd. line and plunged across for the first score. Seconds later, the Owls broke loose for a 91 yd. jaunt to widen the lead to 0-14. Then the Gophers moved over 60 yds. in five plays with "Willie John" Stewart connecting on three straight passes. The score was made via a Stewart-to-Richard aerial. The important two point conversion was blocked. Offensive play slackened until the final period when the Gophers put together a fine 81 yd. drive. Randall Stanford ran 28 yds. for the final tally of the evening. QB Stewart tried to tie the game with another two point conversion which fell just short.

The Gophers displayed their fine running abilities during the first quarter of the Kimball game played in the bowl. At the end of the first quarter, however, the score was 0-0. With 3:59 left in the half, the Blue was forced to punt on their own eleven. The punt was blocked and Kimball scored a quick touchdown. Seconds later, the Gophers bounced back with a sixty-five yard march starring Quarterback Billy Bob Stewart and end Don Chilton. Stewart passed to Chilton for forty-two yards and ran the final 13 for the score himself. With the score 7-6 in Kimball's favor, Grand Prairie decided to try for two points. The conversion failed, and a close, fine game was lost.

Grand Prairie welcomed Richardson to AAAA ranks with a three-touch-down second half to break up a close game. Junior fullback Galen Morris totaled seventy-one yds. rushing to lead G.P. The Gophers drew first blood in the second half with an eighty-five yd. drive, capped by Randall Stanford's reverse play. Richardson came back with a quick score to take the lead at 7-8. Senior end Freddy Richard soon pounced on a Richardson fumble which set up the next Gopher tally. Galen Morris did the honors from the two yd. line.

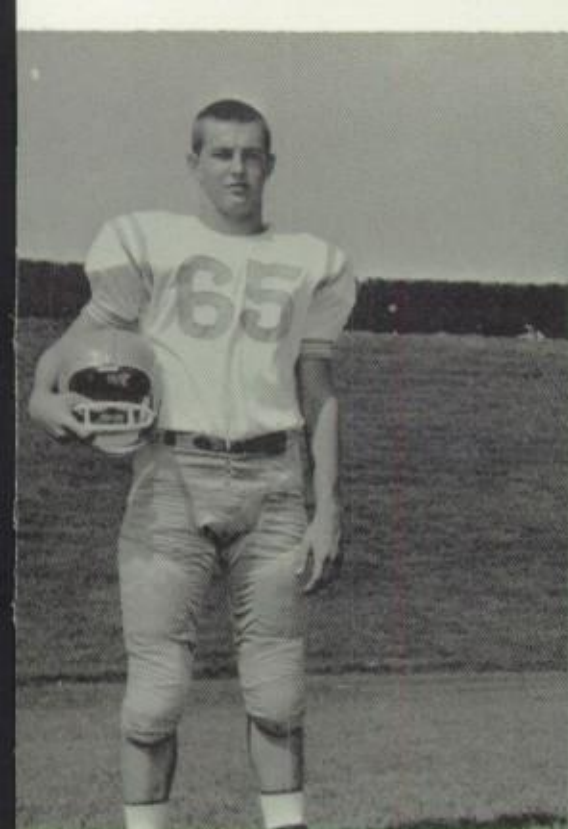

The Eagles took to the air in the fading moments, trying desperately to close the gap. Defensive back Gary Gilbreath intercepted a long aerial and ran it back for the insurance score.

ARLINGTON 10

The traditional rival game between the Arlington Colts and G.P. was one of defensive strategy with both teams waiting for a break in the game. As it came out, Arlington's break came in the third quarter when G.P. was penalized 15 yds. This penalty put the Colts in position to score the field goal which decided the game. The first half was played even-even with neither team scoring. In the third quarter, after the fateful field goal, the Gophers drove over ninety yards to the Pony one yard line, where QB Stewart was caught short on downs. The Gophers tightened up the defensive line and contained the Arlies twice inside the G.P. ten yard stripe. With five seconds left the officials signaled an Arlington touchdown that iced the game, 0-10.

Grand Prairie displayed an almost flawless game against Richland to even the district record at 1-1. The only Richland points were a gift from the Gophers via a bobbled punt snap which was recovered in the end-zone. The attack started late in the first period after Bruce Hinton pounced on a fumble deep in Rebel territory. Six plays later, Joel Horsley rushed over for the first score. Van Tarver recovered another fumble to set up a field goal by Randal Stanford. Billy Bob Stewart added a few in the second half via three long marches. He ran over for the first two scores and threw to Travis Rushing for the third. Rushing tolled the final touchdown on a pass from junior Gary Gilbreath.

Grand Prairie's fluctuating offense found the range for a 400 yd. rushing production to crush the Haltom Buffs for their second district win. Senior back Randall Stanford led in the statistics department with 176 yds. rushing, while Billy Bob Stewart and Joel Horsley teamed up for another 100 yds. The Gopher defense again proved its worth, as opponents to date have managed only 6 points per contest.

GOPHERS 13

The Gopher machine, driven by Billy Bob Stewart, rolled over Irving for 24 minutes of the biggest district game of the season, but fell to the Tigers in the second half for the first time in 15 years. G.P. kicked off to Irving and stopped them cold without a first down. The "machine" shifted into first gear, and Stewart stepped off in the end-zone 64 yds. away. Soon, Harold Williams snared an Irving aerial and ran 43 yds. untouched for the second quick tally. Alas, a lone Tiger receiver got behind the Gopher defense in the second quarter and scored on a long pass-run combination. Late in the third quarter, a Stewart-to-Babina pass was intercepted to set up the next Tiger score. Then in the last quarter, Stewart's punt was blocked to give Irving the go-ahead points in a hard-fought contest.

WICHITA FALLS 14

The Gophers ended the 1962 campaign on a successful note with a 14-14 tie with defending state champ, Wichita Falls. G.P. received the opening kickoff and started toward the Coyote goal but soon stalled and was forced to kick. Wichita scored after two quick plays to make the score 0-7. Joel Horsley covered 75 yds. on a pass-run combination, and QB Stewart ran over for the score. Later a Stewart-to-Williams pass was intercepted and run back-97 yds. for the second Wichita touchdown. Stewart capped a second successful drive with a ten yd. jaunt early in the second period. The second half was a battle of endurance as neither team could produce another scoring drive. Excitement remained high as the last Coyote push reached the G.P. 30 yd. line when the final whistle blew.

Plans for a new golf team are in the making. Coach Amos Turner has offered to spend time coaching some golf hopefuls and evaluating the amount of talent in this school. Most city schools and some schools in our district have had long-established golf teams, and we hope that, by the time another annual comes out, Grand Prairie will have successfully launched a golf organization.

The 1963 Gophers started their pre-district schedule with the likes of Pampa, Denton, Thomas Jefferson, and Hillcrest and soon found themselves on the short end of a 4-9 record. The boys reached their peak in January and won 11 out of the last fifteen ballgames. The district crown was lost by just a short margin. Their hustling brand of playing and an 8-2 district record brought many fans back to the Gopher gym this winter.

GOPHERS 60

Grand Prairie's "new look," a tough 2-1-2 defense, took the Colts by the horns at Grand Prairie to avenge an early season loss to this same team. Senior Tommy Baty collected 13 points in the first half, and Billy Bob Stewart added 15 in the second half to lead the Gopher attack.

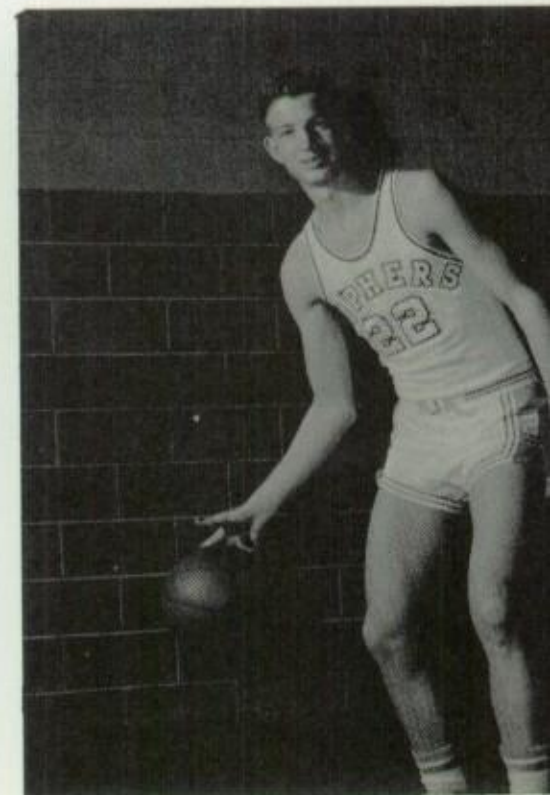

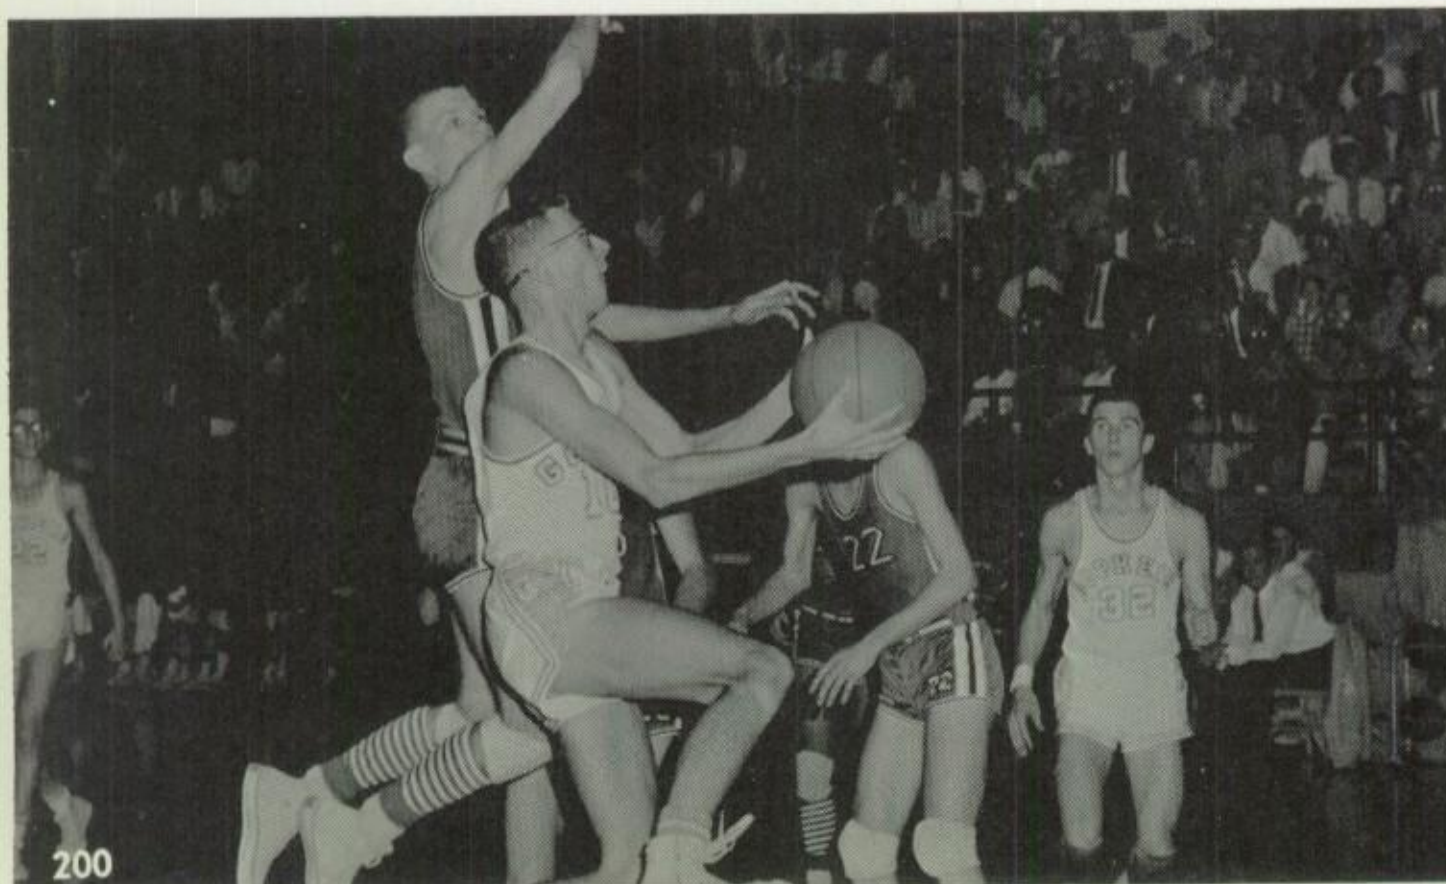

ARLINGTON 42

GOPHERS 55

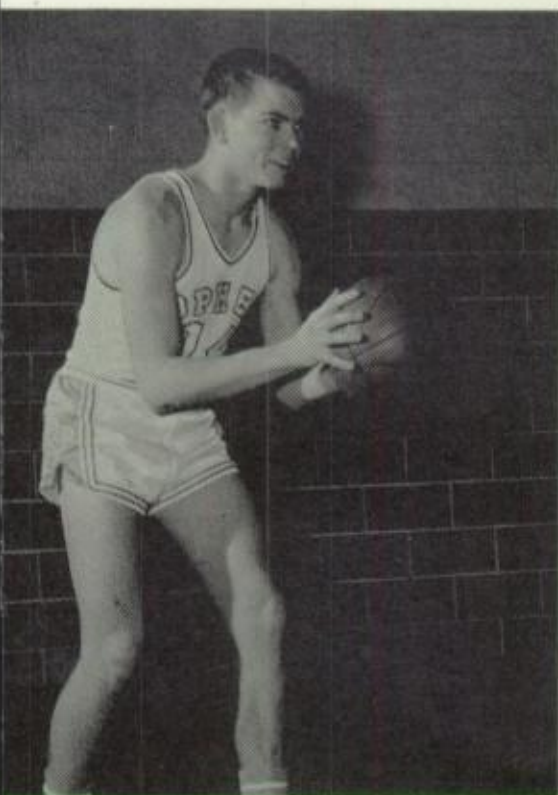

Grand Prairie overcame adverse conditions at Haltom to lead at half-time but Haltom City took away the prize in the second half to almost salt away the championship in a very important early district contest. Wright, Griggs, Stewart, and Baty scored 10, 14, 14, and 15 points respectively.

GOPHERS 74

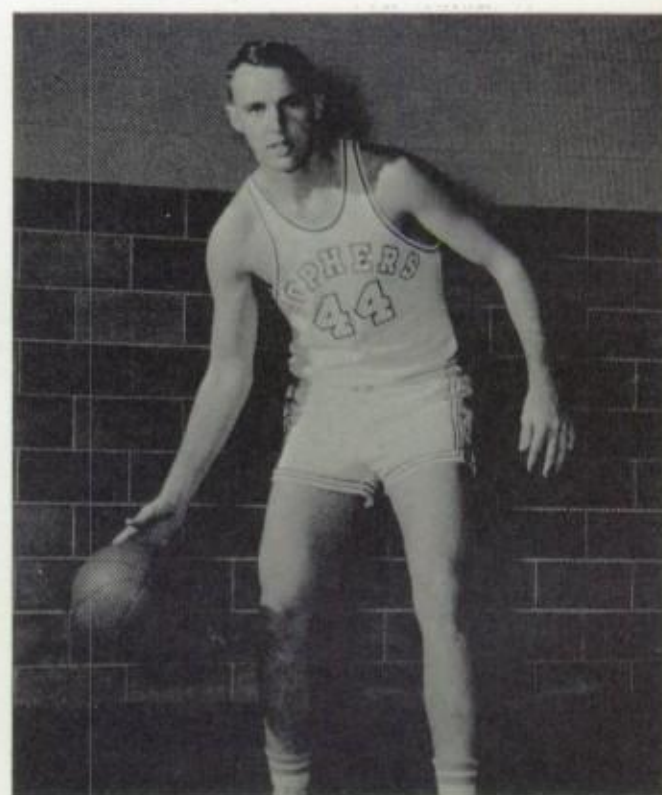

Tommy Baty took passes from teammates and hit for 30 points to lead the Gophers past a hustling Rebel crew at Richland Hills. Mark Babina added his weight to the rebounding and cooled off any chance for a Richland surge, while Johnny Wright and Billy Bob Stewart added 28 points to keep the scoreboard buzzing.

GOPHERS 70

“Bird Dog” Jerry Griggs held the Coyote gunners to a respectable level, and Tommy Baty and Johnny Wright combined for 33 points to crush Wichita at home. We hope that this is the end of a long Wichita Falls sports dynasty.

Grand Prairie held off the Irving Tigers "there" to keep a tight hold on second place in 4-AAAA. Billy Bob Stewart played one of his better games, giving 21 good points to pace the Gophers. The game was close throughout, as the half-time score 29-25 indicates. The Tigers caught up late in fourth period, but the Gophers pulled it in the last minute to take the contest.

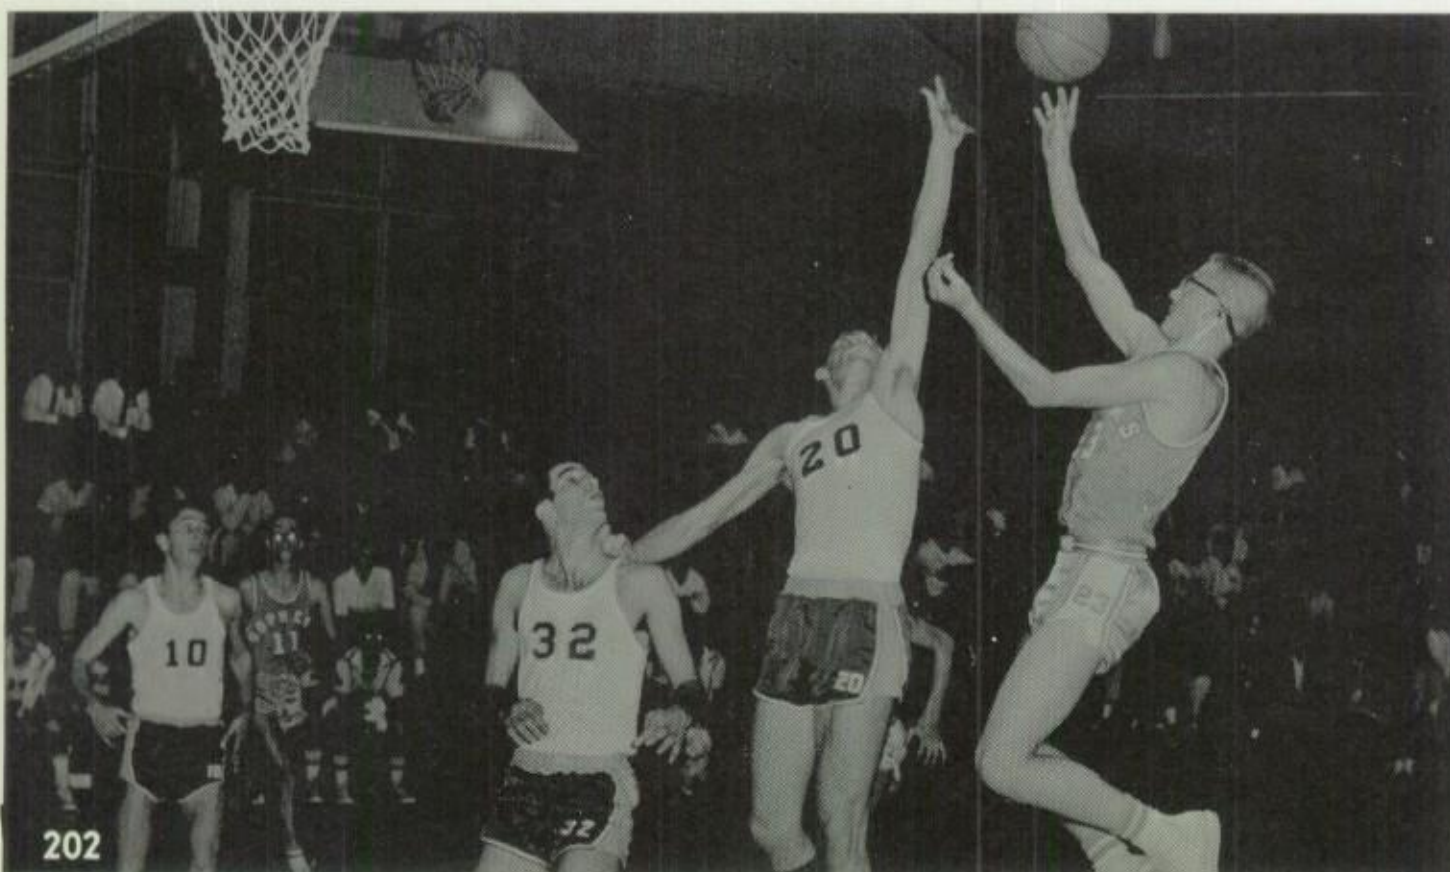

GOPHERS 75

G.P. visited the Arlington gym and came away with their fifth district win. The Gophers used a twenty-seven point third quarter to break up a close game. Tommy Baty took the district scoring lead with a thirty point night and Stewart totaled 16 more.

HALTOM CITY 70

The Haltom Buffs came to the Gopher gym and took away the district crown with a good show of rebounding and an unbelievable shooting percentage of over sixty per cent. Tommy Baty and Johnny Wright combined for 41 points, but it was just the wrong night.

GOPHERS 70

RICHLAND HILLS 50

The district race was over, but the Gophers proved that they were better than any Richland Rebels. Baty took 26, Stewart 18, Wright 12, and Griggs 11 to end the game almost before it started.

WICHITA FALLS 54

The Coyotes were tougher at home (W.F.), but the end result was the same. Tommy Baty, double-played and triple-played, plunked in 23 points in the first half, only to add a paltry 6 in the second half. Improving Johnny Wright wowed 'em for 20 points in the last half to keep up the slack.

GOPHERS 80

IRVING 67

Grand Prairie ended the season on a successful note with a 13 point trouncing of good old Irving. Tommy Baty wrapped up the scoring title with 26 points and fellow senior, Johnny Wright, put in 18 more for good measure. Good season, boys!

A SENIOR CLASS

1951—

—1963

Looking back now, September, 1951 was a good time to start school. Although memory fades, and only a few scenes are retained, many things stand out—the opening day's outfit, feelings of excitement, containment, and yet maturity, and that first "teacher-crush."

Our little souls develop as the years passed, and we split up according to interests, talents, and activities.

Certainly, high school has been the most important part of our education. For some, it has been a super-highway to success, while most of us have struggled along in our endeavors, and some of us have fallen by the wayside.

As the year draws to a close, we realize how such a short time ago we were but freshmen. Although some of us leave high school without looking back, most of us hesitate in the comparative security of Senior Spring and contemplate upon what might have been.

Whether or not, in any way, we have accomplished our goals so far, WE, THE SENIOR CLASS OF 1963, thank you, GRAND PRAIRIE, for *opportunity*.

Very
good a great
year. I have enjoyed
knowing you this year
Love ya

FINAL DEADLINE

As this last sheet of copy goes to press, and the re-usable materials are put back into the cabinets for the last time, and as the mountains of mistakes and wasted materials and soft drink cups are thrown away, we, the 1963 GEEP STAFF, have a sneaking suspicion that the 1963 GEEP will be the finest, most beautiful annual in the history of Grand Prairie High School. It must be, because we have loved building it so much!
